MEMORANDUM

This request has been reviewed with the investigating agency. The government is clearly

aware of what the defendant has proposed as a basis for a delayed reporting to the Bureau of Prisons. The government does not believe that there is anything proposed thus far that would constitute a valid reason for not reporting to serve the sentence imposed by this Court. Thus, the government opposes any delay of reporting to the institution for commencement of sentence imposition.

Respectfully submitted,

CARTER M. STEWART
United States Attorney
